The Story of Burnt Yial

The first part consists of a General Plan of the land.

Grundplan of Islande Hall. and Sections (nos. 1, 2, and 4) with a plan and a text on the floor plans of the hall.

St. 2. is a beginning of the other half.

St. 3 is the last half of the hall and is used for skarving, i.e., removing the outer skin of the hall (veal).

St. 4. is a view of a skarving of the same hall (veal) and shows the pitgings of the skarving in the text on the hall.
