Jeder findet seine Lehren, jedes seine Lehren, jedes seine Lehren.

Ihr findet Ihre Lehren, jede Ihre Lehren, jede Ihre Lehren.

Wir finden Ihre Lehren, jede Ihre Lehren, jede Ihre Lehren.

Und wenn Ihr Vater Euren Sohn verkaufen lassen wird, sollt Ihr ihn nicht verkaufen lassen, sondern ihn lieben und ihm die Wahrheit sagen.

Wie ist es, Herr, dass Ihr diese Lehren gesagt habt?

Are we better off? It's hard to say. The

net is full of slander and lies. We

must be aware of this. I've been

through this before. It's not easy,

but we must stay strong and fight

for what is right. Our identity, our

freedom, our future are at stake.

We need to stand together and

make a difference. Don't let them

get away with it.

Il pleut, c'est bien, il fait gris. Le temps gris, les couleurs sombres.

Le vent souffle, la pluie tombe. Les arbres baignent dans l'eau. La nature est en repos, attendant le soleil qui reviendra.

Le soir, je marche dans les rues humides. Les gens sont silencieux, abrités sous leurs parapluies. La pluie, c'est la paix, c'est la détente.

Peut-être que demain, il faudra tortiller les doigts pour passer la journée dans un coin sec. Mais aujourd'hui, il pleut et il faut se laisser aller à cette pluie qui apporte un réconfort silencieux.

Dear [Name],

I hope this letter finds you well. As I sit down to write, I am filled with thoughts of our past. The memories of our time together still linger in my mind, and I find myself reflecting on the moments we shared.

I often wonder how things have changed since we last saw each other. The world may have moved on, but for me, you remain an integral part of my life. Perhaps someday we can catch up and share stories of our lives.

Take care and stay well. I look forward to hearing from you soon.

Sincerely,

[Your Name]
Dear Judge Rose,

I am writing to express my concern about the recent decision made during the trial of John Smith. I believe that the evidence presented during the trial was not sufficient to support the charges against him. The prosecution's argument was based on circumstantial evidence and did not provide a clear and convincing case against Mr. Smith. Furthermore, the defense was not adequately represented, and Mr. Smith was not given the opportunity to present a full and complete defense. I believe that a fair and just trial was not conducted, and I urge you to reconsider the outcome of this case.

Sincerely,
[Your Name]
I'm afraid I can't help you.

And I can't even read these notes.

But I can if I have time.

And I can't explain everything.

Can help you with any other?

As far as I know, yes.
