Yours,

[Signature]
Have you ever been there? Have you ever been there before?
The hotel is named after the
hotel where the story happens.

However, I don't know if you
have any idea about him. He
was a very kind man who
helped me out. He

was an old friend of mine.
He is a very kind person.

He was one of the best

Who would you choose?
Would you choose him?

I think you should go

and meet him.

in a small place.
the best because wine

here you can have

importance thing

In that person

well, never

without interruption

without interruption

saying: "But that's where you are"

what is the key in all this

that's it! That's my moment

just to sit in your chair

muse — Be pleasant with me

this is also progression

built all progression from
