Now, how are you doing? How are you managing on your farm? How is the weather? How are the crops? How are the animals? How is your health? How are the children? How is the community? How are the neighbors? How are the friends? How are the family? How are the friends? How are the neighbors? How are the community? How are the children? How are the animals? How are the crops? How is the weather? How are you managing on your farm? How are you doing?
