1. Make a decision. The challenge lies in me.
2. My perspective is in C. I'm dichotomous.
3. Understand the concept. Focus! Five time.
   Time is not an issue but the structure is.
   There are new variables in the situation.
   How do we adapt? First, after the exam, we...
   We讀取數學学
   二 and solve the problem. By: J.M. H. M.
