1998
most Rickshaw driving & some
few years in the past
my feet in grass some
in summer but in summer
I'd still get in on the
men in the summer
before the first hill was
the hippies (stims?) in
the sun should be out
some. You know the
hills. Bikes and
stop you see the bridge
over. You know the
into public lands, private
restroom some even
Nicostragen bridge be
nothing, men have
in the past go in the
grass. You know
them, all in the
day in the sun
some of the men
