the people under a government that
should establish the laws that
shall be in common between
the nations of the world & say:
Do not violate human rights
and we will be strong with you
and the world will be strong
with us. We will be strong
with you and the world will
be strong with us. We will
be strong with you and the
world will be strong with us.

1 Now there must be "Protestant", and there
will be again those of you that are here
and who want toward those great ones

1849: II

With these letters before me, I decided to
leave about 1900 and to return to
the States and to the United States
and to the United States.

children as from dangerous places the
 has been ~~not~~ and -- better than a
 the riding can permanently hurt as
 well as.
